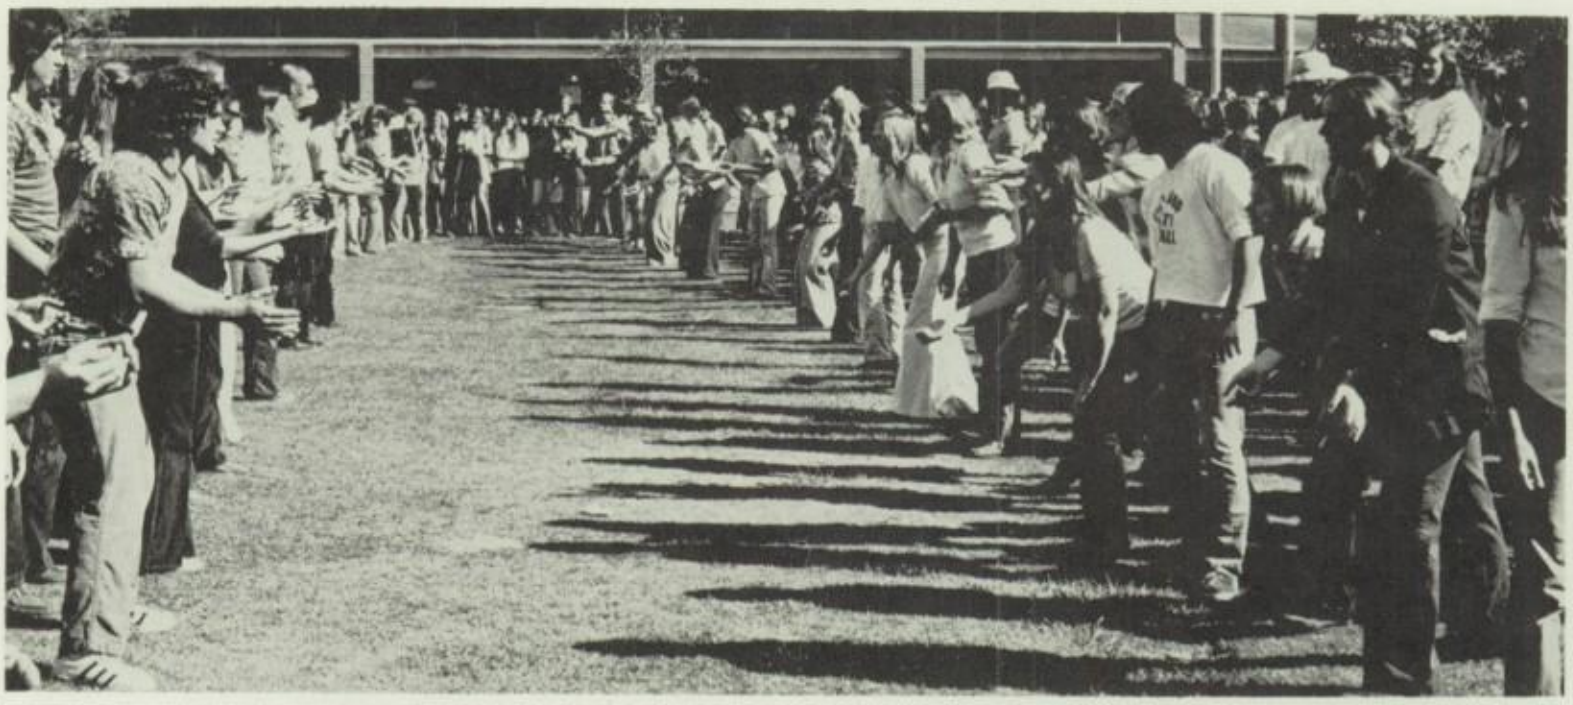
Wide World of Fall Sports

Wednesday, September 16, at the ringing of the third period bell, the mad rush for the football field began. For what, you ask? Cleveland's annual Fall Sports Rally, of course. After traditional greetings by Mr. DeFrates and Mr. Todd, the podium was turned over to the coaches who presented Cleveland's outstanding fall sports teams.

The stands rumbled with enthusiasm as the football, cross country, girl's basketball and tennis teams were introduced. Led by Cleveland's No. 1 precision Band and Drill Team, the students displayed the true Cavalier spirit.



"Spirit, Spirit, Let's Hear It!"

Spirit Week '74, November 4th-8th, proved to be a fun filled time for all those participating. Kicked off on Monday, the Juniors pitted their strength against the Seniors in the annual tug-of-war and ended victoriously. The excitement increased as the crowd prepared itself for the wheelbarrow race. Don Chadwick and Larry Spellman shot to the finish line to win the race for the second consecutive year. What a team!

Break a leg or an egg was the word for Tuesday as spirited Cavaliers scrambled on to the senior lawn to try their luck at the egg toss. Eliminations were quick and egg-splattered students stood back to cheer Desi Gamboa and Mike Monett to v-v-victory.

Wednesday, Leslie Burdick displayed one of her raw talents as she stuffed her mouth with bubble gum and blew the bomber of the day in the Bubble Gum Blowing Contest.

The week was topped off on Friday with a semi-organized pep rally. The lack of organization, however, had no effect on the spirit generating through the mass. Cavaliers anxiously awaited Friday night's football game, determined to continue the enthusiasm that had been prominent throughout the week.

In all, Spirit Week '74 set the stage for the attitudes that will be carried on by each Cavalier to make 1974-75 the most spirit filled year ever.

Erin White, Matt McBurney, Kris Keefer, Tom Petruk, Lauri Sauer, Jack Greer, Tracey Hurst, Greg Johnson, Debbie Erickson, Steve Sletten.

Delightfully Debbie

Friday night, November 15, wasn't your everyday football game. The stands were packed with Cavaliers and alumni, patiently awaiting the half-time ceremonies. As the tension mounted M.C. Bob Carrier opened the first envelope. Tracey Hurst, beaming, with escort, Greg Johnson, was crowned fourth princess. Next, ecstatic Erin White, escorted by Matt McBurney, was crowned third princess. Second princess, bewitching Kris Keefer, was escorted by Tom Petruk. As the excitement reached its peak, lovely Laurel Sauer, escorted by Jack Greer, was crowned first princess. As a cheer went up from the crowd, enchanted Debbie Erickson, escorted by Student Body President, Steve Sletten, received the crown and reign of Homecoming Queen, 1974, from last year's queen, Kelly McRae.

Cavalier Entertainment

This semester, a variety of fine entertainment was displayed under the direction of Earl Baer, Commisioner of Assemblies. Cleveland students witnessed everything from many rock bands to a "Quadrophonic Light and Sound Exhibition." The Student Body received an extra special treat with the arrival of Doctor Demento. The famed master of demented music presented an enjoyable assembly for all those who attended.

Cavaliers also enjoyed many exciting dances this semester. After every home football game, the MPR was packed with an enthusiastic crowd, rockin' to the sounds of Pacific, Capt. Cardiac and other accomplished artists. Many thanks to Claudia Reis, our Social Vice-President, for her superior effort in making these dances a success.

Thespians Spotlighted at Festival

On November 2, 1974, Cleveland's skilled Drama Department participated in the annual drama festival, held at Manhattan Beach.

From seven events entered for competition; improvisation, group humorous, group serious, group pantomime, individual pantomime, serious monologue, and the original humorous scene written by Daniel Reimer, four events placed in the semi-finals. The improvisation group membered by Jerome Licon, Karen Kerper, LouAnne Letendre, and Daniel Reimer, the group humorous scene, "Grease", with Robin Dyke, Tali Forest, Cherie Greve, Lillian Heit, Lisa Reggio and Melanie Sper, and the serious monologue by Bruce Greenbaum were pinned with semi-finalists ribbons. "The White Whore and the Bit Player" with Tamara Harris, Pam Jordan, and Claire Maier went on to place fourth in the finals round. Congratulations are in order to Cleveland's dedicated Drama Department which finished thirteenth out of seventy-four competing high schools.

Spoon River Anthology

Cleveland's Drama Department outdid themselves once again with their production of Edgar Lee Masters' "Spoon River Anthology." After presenting it to the student body Wednesday, Thursday and Friday, December 11-13, two night performances were slated for Friday and Saturday nights. Under the direction of Miss Victoria Francis, Cleveland's skilled actors presented nineteen family histories, portrayed through individual confessions, showing typically frustrated ideas, shameful and disappointing loves, sudden murders and suicides, motivated by the ugliness of their lives. It was a fulfilling experience for all who attended.

Varsity Surprised by Powerful Alumni

The tipoff!

To kick off the incoming basketball season, this year's varsity team offered a challenge to all Cleveland basketball alumni. The place was to be Cleveland's boys' gym, the date, Dec. 17, the time, 8:00 p.m. The stands, packed with Cavaliers, present and past, rumbled with excitement as the game got under way. The alumni jumped to an early lead and retired to the locker room at half time with a 31-25 score in their favor. Our varsity came back fired up by a talk from Coach Malousis, out-scoring the alumni in the third quarter by four points and narrowing the margin to two points. As the game progressed it was evident to all that it would go down to the wire. With less than thirty seconds remaining, ex-Cleveland star, Pat Fisher, popped one in, putting the alumni in the lead by one, ending the game 63-64, in favor of the alumni.

"We May Never Pass This Way Again"

Once again, Cleveland's female folk took advantage of their one chance of the year to nab their favorite guy and escort him to the annual Vice-Versa Dance held in D'Artagnan Hall. Dressed in semi-formal attire, Cleveland girls and dates danced and romanced to the tunes of "Shades of Brass." Throughout the evening cake and punch were served in the teacher's cafeteria to satisfy the students' hunger pains. Due to fine efforts by Barbara Cralley and Girls' League, the 1975 Vice-Versa was a delightful evening for all.

"Yes We Can, Can"

This semester, Cleveland students completed one of the most successful ecology drives in the history of our school. Lead by our hard working and concerned Ecology Director, Maureen Ostrovsky, the school's first aluminum can drive resulted in a "smashing" success. Responding with full enthusiasm to the cause, Cavaliers collected over 18,000 cans and various other aluminum products.

This semester's cabinet also deserves recognition for diligently crushing the hundreds of cans that came in daily. As a reward, the two top collecting homerooms were invited to an all-you-can eat ice cream feast sponsored by student cabinet.

Continuing with the ecology effort, Booster Club initiated a glass drive, with the proceeds donated to the fund for the building of an announcers booth on Verity Field.

Thanks to these fine efforts, Cleveland students set an example for all to follow.

Cavaliers Break World Wide Dance Record

Cleveland's Drama clan, forever in pursuit of some new and crazy gimmick, truly outdid themselves this time when they proved to Mr. Guiness and the rest of the world that they could break the world's Charleston Dancing Record.

Amidst groans from aching feet, toothpicks under the eyelids, and growling stomachs, fifteen of the twenty participants exhaustedly reached their thirty hour goal. Aside from the cast of dancers, there were many others involved in the effort. All jobs from feet massuers to time keepers to orange peelers were occupied, and of course Miss Francis supervised the thrashing 30's escapade. It all took place at "The Onion," a small community church in Sepulveda, from 12:00 noon, Friday, January 24 to 6:00 p.m., Saturday, January 25.

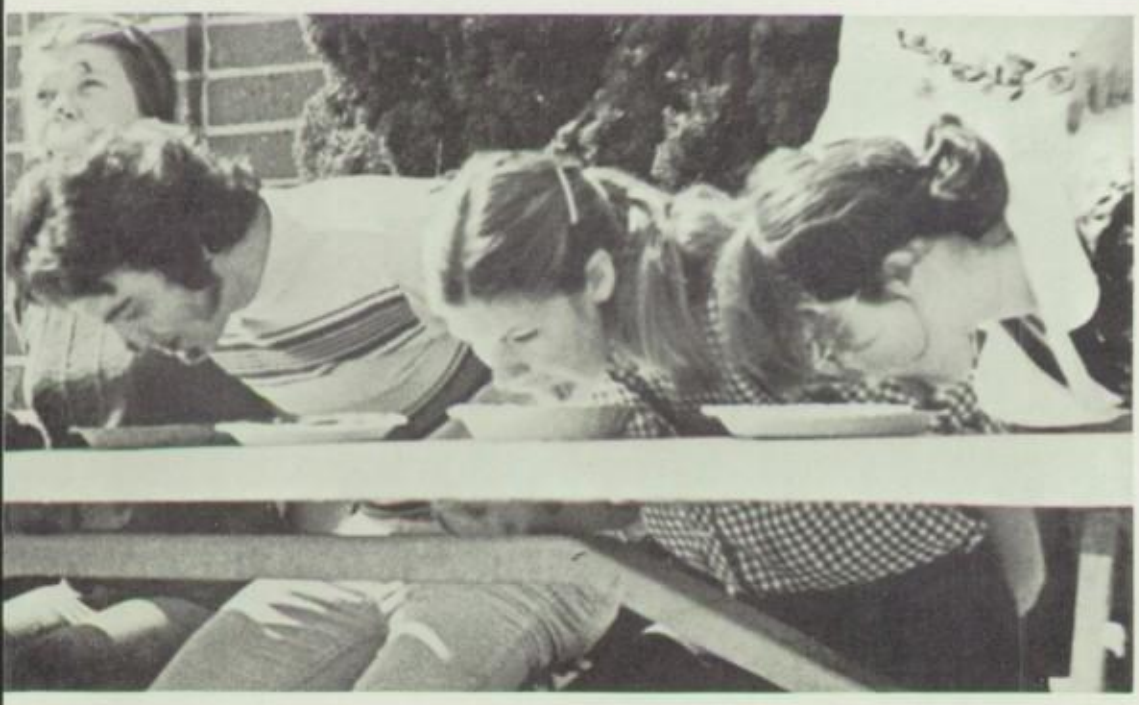
With the intention to defray the Thespian London trip which took place during Easter vacation, each dancer circulated a sponsor sheet, collecting over $2,000 for their cause.

Wide World of Spring Sports

On Wednesday, February 26, Cleveland's Athletic Department held its annual Spring Sports Rally on sunny Verity Field. After the preliminaries were taken care of, the spring teams were presented to the anxiously awaiting student body. The stands roared with enthusiasm as the entire tennis team (11 of 'em) tumbled out of one V.W. Bug. Following this spectacle the boys' Golf, Swimming, Track & Field, and Baseball teams were introduced. Of course, the girls' Track and Softball teams were also in the showing. The entire exhibition was enhanced with the spirit of our spring cheerleaders and Cleveland's fantastic band.

Senior Insanity

This semester the "Senioritis Bug" attacked early as our graduating group held their Senior Activity Week from February 24-28. Hosting a variety of the wildest events ever to hit this campus, Cleveland's old hams really showed 'em. With a "sitting room only" crowd on the lawn, the senior stage was invaded Monday with an array of paint covered bodies. Such artistry! Tuesday everyone got soaked in the sponge toss. On Wednesday, three exciting contests were held. The first, to see who could blow the biggest bubble. Following this was a Licorice Eating Race, and to top it off, the more polite souls displayed their raw talents as the Belching Contest was held (heard?). Thursday everyone made a pig of themselves in the Pudding Eating Contest. To conclude this fun filled week, a Senior vs. Faculty Basketball Game was held before a roaring audience with the seniors dominating the faculty, 30-24.



Juniors Upset Seniors, 6-0

In Foxy Lady Frolic

Campus Springs With Spirit

Spirit Week this Spring provided an assortment of many fun and exciting activities for all students. Monday, things started rollin' as the Juniors and the Seniors once again invaded the lawn with their Tug of War contest. Tuesday, everyone was all fired up for the Foxy Lady Football game and the foxy ladies, with their cheerleader support held a wild Spirit Rally on the lawn. Wednesday, it seemed like all eyes were squinting as people walked through the halls. Why? Of course, it was clash day, with everyone mixing their plaids with their stripes, and their red socks with their orange. Thursday, the lawn was filled at lunch with daring souls holding water balloons. The idea was to see what couple could get the farthest away, throwing the balloon back and forth, keeping it intact. As you guessed, quite a few went to fifth period wet. The week came to its close with a student-faculty volleyball game, and the announcement of the Spirit King and Queen at the dance.

Spirit Reigns As Royalty Is Crowned

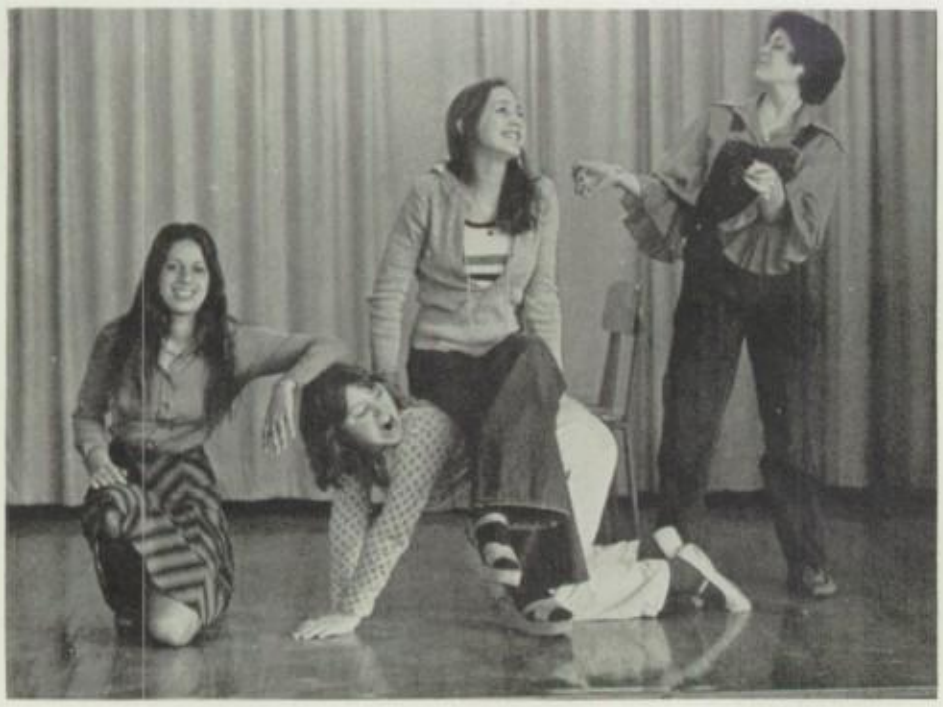
Friday, March 7, Cleveland's Spirit King and Queen were corwned along with their court at the annual Spirit Dance. After dancing to the Sounds of Egdon Heath for an hour and a half, the excitement of the crowd reached its peak and the ceremonies began. As Tracey Hurst, Master of Ceremonies, led the group out on the stage, everyone crowded around. She then proceeded to open the first envelope, finding no names, only another envelope. After four or five envelopes the one with the names was finally uncovered. Silencing the restless crowd, the fourth Prince and Princess, Gary Gilman and Claudia Reis were announced. Following this, the third royal couple, Leti Galago and Kim Smith and the second, Steve Sletten and Robin Nicholas were crowned. Cleveland's Spirit Week reached its pinnacle of excitement as Tracey opened the final envelope. A roar went up from the crowd when Jay Guttman and Delise Siegler were announced first Prince and Princess, and Spirit King and Queen, Don Chadwick and Barbara Kellogg were crowned.

Thespian Conference

The 1975 Thespian Regent 2 Conference was held at Newport Harbor High School, on the 8th and 9th of February. Once again Cleveland's theater buffs excelled in the rough competition.

The two groups competing from Cleveland consisted of Tamara Harris, Claire Maire, and Pam Jordan performing "The White Whore and The Bit Players" and our improvisation group which included Karen Kerper, Lisa Reggio, Kerri Miller and Louanne Letendre.

Out of the fifteen individual awards of $50 each presented to the thirty high schools in competition, each member in the cast of "The White Whore and The Bit Players" received one such award. Many congratulations to these dedicated and hard working Thespians.



Spring One Act

As always, Cleveland's One Act, held every spring, displayed a variety of fine talent. The theme of the production was based on contemporary female vocalists, with the group performing songs by such artists as Joni Mitchell, Joan Baez, and Carly Simon.

Soloists in the play included Carla Norstrand, Pam Jordan, Claire Maire, Lisa Lockwood, Sue Bohlin, Karen Kerper, Louanne Letendre, Tamara Harris, Steve Lassman, and Greg Lowry. The remainder of the cast was comprised of Tali Forest, Jerome Licon, Nancy Weber, Sue Lacugne, Kerry Miller, Lisa Reggio, Mike Klindt, Kelly Koran, Cynthia Stevenson, Cherri Grieves and Lillian Heit. Keyboards were provided by Dan Reimer, and Sue Bohlin.

The songs included a variety of fine music, all of which the audience responded to very well. Among them were "Big Yellow Taxi", written by Joni Mitchell, "Banquet", "Blessed Are", by Joan Baez, "Rolling Down the Hills", "Christmas In My Soul", "One More Time", "In The Quiet Morning", "Beads of Sweat", "Another Door", "Good 'Ol Days", "Save the Country", "Love Song", and "All the Weary Mothers", a touching antiwar ballad.

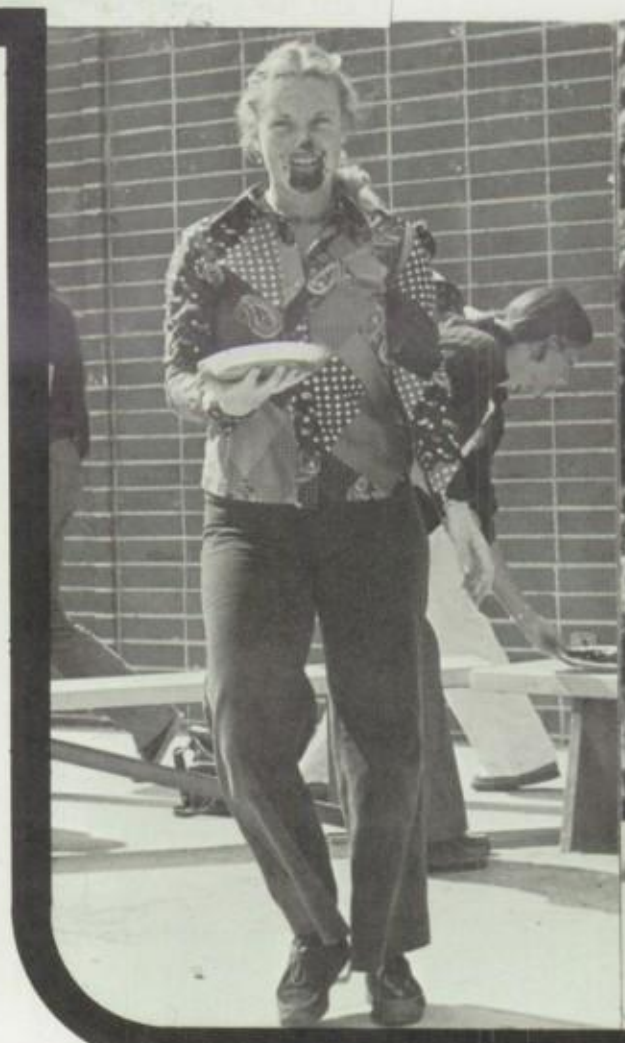
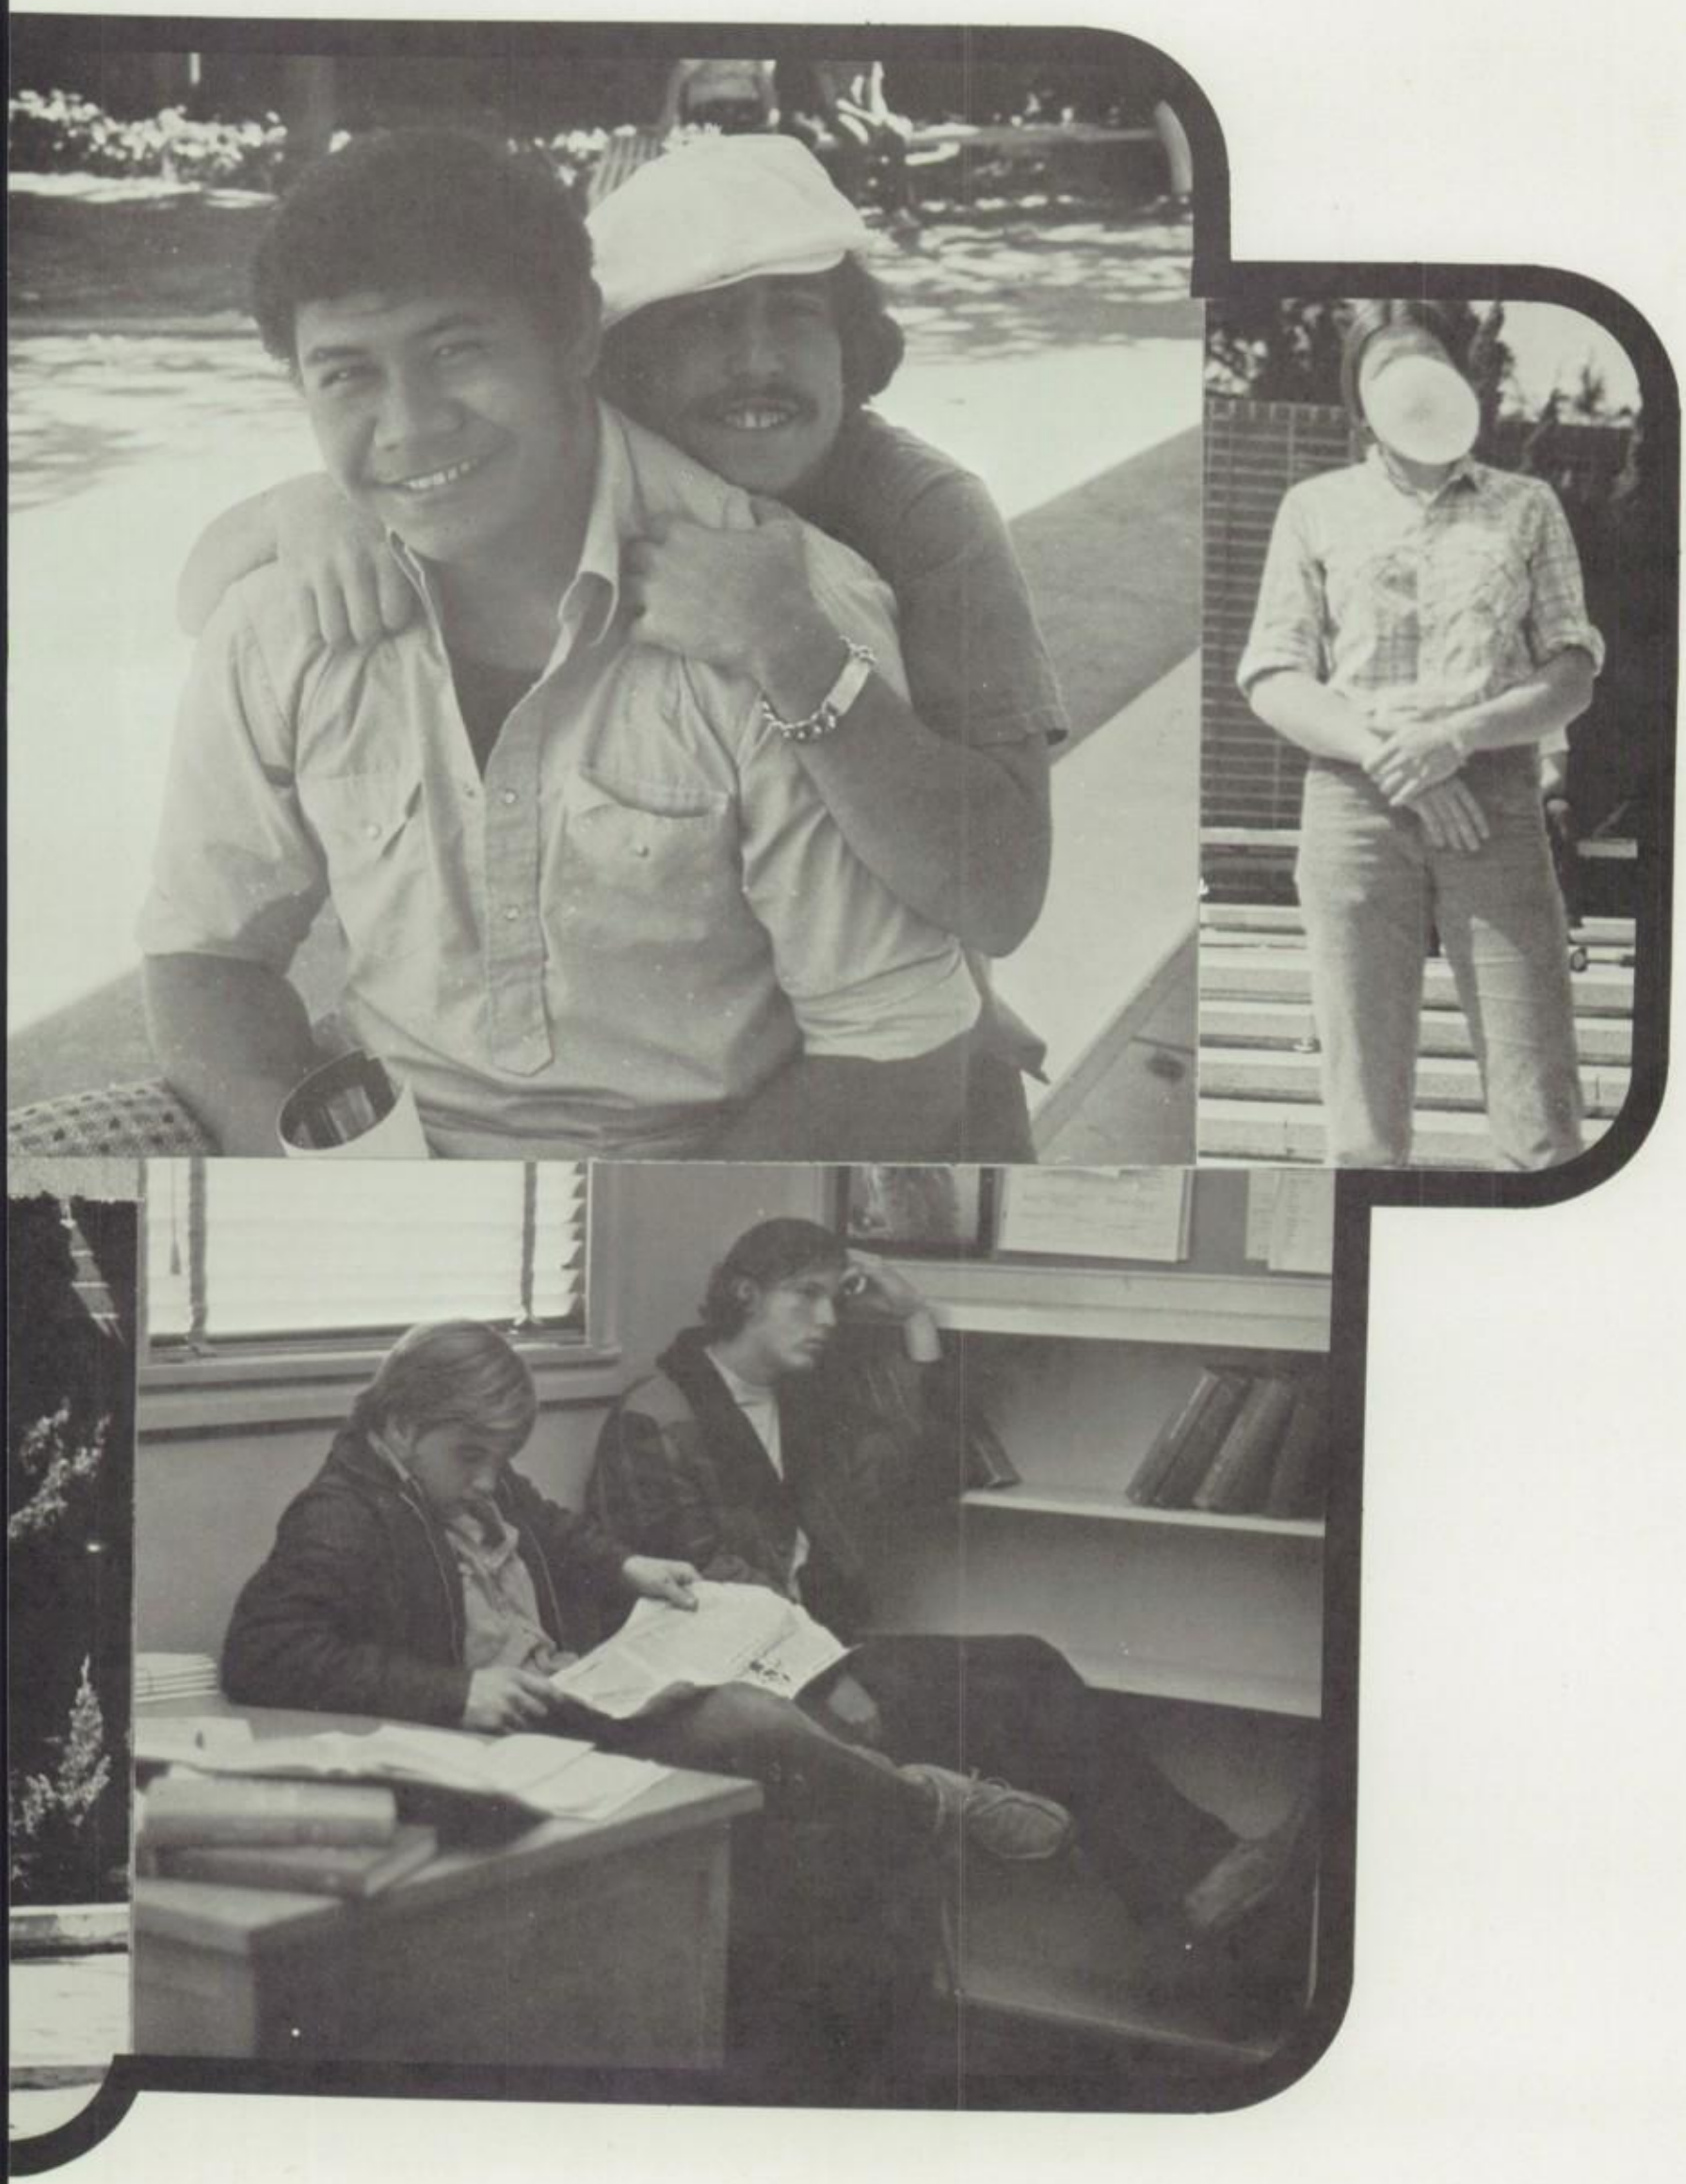
. . . each moment has its own
beauty; it beholds every hour
a picture which was never seen
before and which shall never be
seen again . . .





Coming back
to reminisce
to relive memories
To see life as it was
in the past
To know how to better ourselves
in the future
Always to look
Always to grasp
And to hold onto that which is
about to be
Into the vast unknown
we walk
Ready for
every new challenge.

Living, experiencing, feeling
Forever, present-time, yesterday
Remembering, cherishing, longing

We must now move into the future
And leave the past behind
For where we have all been
We can never be again.

As I was walking through the forest,
I ran into a tree, and as I stood there,
I wondered who it could be.

I was looking at your wall,
I noticed something strange,
I was standing in your forest, way out of range.

As I was thinking in your room,
Of things that have been,
And cherishing the moments we won't see again,
I know I'll remember that friendship that we've known,
And how my forest has really grown.

One student from each forty, or approximately 2 1/2% from each graduating class, may be chosen as an Ephebian. To qualify scholastically, the candidate must have maintained a "B" average throughout his senior high school years.

Bank of America Zone Candidates

The Les Mémoires Staff is proud to present Cleveland High School's four Bank of America Achievement Award Candidates. The purpose of this award is to recognize and to honor outstanding seniors whose scholastic attainment, sense of civic responsibility, and evidence of leadership give most promise of future success and service to society.

The Achievement Awards Program was first introduced to the schools of the Los Angeles City School District in 1948. Cash awards, trophies, and certificates have served to emphasize the value of self-improvement, service to others, and individual achievement.

The awards program has been expanded to include all high schools throughout the state. The state is divided into nine geographical divisions, each with an approximately equal number of students. The schools within each division form an independent program and winners do not compete against winners from other programs. The nine divisions are divided into zone areas. Cleveland is a member of the West Valley Zone.

The selection of certificate of plaque winners is made by the faculty of the school with the guidance and approval of the principal. The four plaque winners are pictured here and the twelve certificate winners are as follows: Robert Santoro, Agriculture; Jeneal Rohrback, Art; Teresa Eide, Business; Clare Marie, Drama; Patricia Kuljian, English; Beatrice Benkmann, Foreign Language; Kathy Depew, Home Economics; Susan Parry, Laboratory Science; Kevin Berasley, Mathematics; Susan Bohlin, Music; Deborah Lathrop, Social Studies; Mark Metzler, Trades & Industrial.

William A. Farmer Service Award

Claudia Reis

The William A. Farmer awards were originated to recognize two Senior Students, preferably one boy and one girl, who have contributed outstanding service to Cleveland in at least two fields. This award easily distinguishes these individuals from Ephebians since the only grade requirement is a "C" average. The award was named in honor of Cleveland's first principal and is given at the awards presentation during Family Night.

Varsity Football-1974

Birmingham: Varsity Football 1974 began for Cleveland when the Cavaliers met the Braves at Birmingham. The Cavaliers received the opening kickoff, driving to the three-yard line, where they were stopped by the Braves. A few plays later, Chris Tindell sacked Birmingham's quarterback in the endzone for a safety. The Braves got on the board in the second quarter with a touchdown and led 8-2 at half time. Cleveland burst out in the third quarter with a sustained drive by Maddox and Finkbiner alternating carries down to the four, where Maddox took a pitch-out and scored. The Braves came back, however, with a 22-yard touchdown pass in the fourth quarter to upset the Cavaliers 15-8.

Carson: The Cavaliers came through to hand the Colts a stunning 13-6 upset. This was, perhaps, one of the finest moments in Cleveland's history considering the loss to Birmingham the week before. Carson scored on the second play of the game and it looked like a rout, but that was it for the Colts. The Cavalier's defense blunted Carson's offense the remainder of the night. In the second quarter, Carson's punter was tackled after a bad snap on the Colt's 11-yard line. Maddox crossed the line for the score five plays later. Early in the fourth quarter Carson was caught with fourth and one. The Colts gambled and lost, turning the ball over to the Cavaliers on Carson's 33-yard line. From there Jay Marr went in for the winning score.

Kennedy: In this 36-6 rout of Kennedy, Cleveland proved that their win over Carson was no fluke. The offense finally got untracked and shredded the Cougar's defense with a total of 218 yards gained. Cleveland's defense caused the first of Kennedy's numerous fumbles in the second quarter and then recovered it. Three plays later Cardona threw a thirty yard bomb to Brian Ward for the score. Minutes later the tough Cavalier defense forced Kennedy to cough up the ball again. It took only five plays for the Cavaliers, led by Maddox, to score. In the second half the defense really put it to the Cougars, allowing only 59 yards rushing in the game. Maddox added two more scores in the second half. Defensive stars were Scott Stark and Rick Jarvis, both getting interceptions, and Clark and Grant, playing tough games.

Van Nuys: Cleveland ended Van Nuys' winning streak at three wins by the score of 21-13. The game was not as close as the score indicates. The Cavaliers scored the first two times they had the ball. They marched 76 yards in the first series which resulted in a 15-yard touchdown run by Brian Ward. Later in the quarter Cleveland gained possession on the Wolves' 17-yard line and six plays later Terry Hanks raced into the end zone from sixteen yards out. The drive was highlighted by a 56-yard run by Jay Marr. Late in the second quarter Maddox ran through the Wolves for a 32-yard touchdown run. The second half was a stand-off until late in the game, Van Nuys scored twice on Cleveland reserves. Cleveland netted 301 yards rushing.

Chatsworth: The Cavaliers got off to a great start in the West Valley League opener by scoring an impressive victory over Chatsworth, 21-8. Cleveland scored on their first possession with a 14-yard run by Ricky Maddox, giving the Cavaliers the lead, 7-0. Chatsworth's offense was frustrated by a powerful Cleveland defense led by Greg Clark, who sacked Chatsworth's quarterback six times throughout the game. With six minutes left in the half Cleveland scored again to bring their lead to 14-0. Chatsworth recovered a fumble on Cleveland's 18-yard line but was unable to score, due to the stubborn Cleveland defense. The second half was closer with each team scoring once but the Cavaliers came away with a needed victory.

Taft: After their victory over Chatsworth, the Cavaliers next had to face the highly ranked, undefeated Taft Toreadores. In this hard fought battle, which later proved to be the decider for the league championship, the Cavaliers came through again to gain a much deserved 19-14 victory. Taft came out hot and scored after only 37 seconds. That was all the Cavaliers needed to get moving, as Bill Creamer recovered a fumbled punt on the Taft 12-yard line to set up Cleveland's first touchdown. Later, Brian Ward carried a wing-back reverse to the two, and when Jay Marr drove in for six Cleveland was on top to stay. Both teams scored once more, giving Cleveland an important victory and an excellent shot at the championship.

El Camino: The Cavaliers took sole possession of first place in the league after they disposed of the Conquistadores, 21-9. El Camino scored late in the first quarter on a field goal but would never hold the lead again as Alvin Hooks returned the following kickoff 97 yards, for the score. Cleveland came out in the second half and drove 70 yards, with Cardona capping the drive with a sneak from the one. El Camino scored again in the fourth quarter but the Cavaliers came back to wrap up the game with Maddox scoring on a ten yard sweep of left end.

Canoga Park: With this win the Cavaliers wrapped up at least a tie for the West Valley League crown, as they thrashed Canoga 42-7. Maddox scored his last touchdown at the end of the third quarter from five yards out. Cleveland's last score came in the fourth quarter as Terry Hanks went fifteen yards for the touchdown on a wing-back reverse.

Reseda: In the final regular season game, the Cavaliers had no problem dumping the Regents to gain the West Valley League Title. Some had worried about a letdown before a game such as this, but the spirited Cavaliers went full blast to destroy Reseda 48-0.

Palisades: Cleveland ended its football season as it started, with a loss at Birmingham. The Cavaliers came into this playoff game as slight favorites but it was the Dolphins who were victorious by a 20-0 score. Even though the loss to Palisades was disappointing the Cavaliers enjoyed a fine season and gave their fans many thrills throughout.

Carson: The Cavaliers lost to probably one of the finest Bee teams in the city, by a score of 0-34. Cleveland could not generate any offense against the Colt's mighty defense.

Kennedy: Once again the Cavaliers came up scoreless as they bowed to Kennedy by a score of 0-20. John Noland had a good night passing.

Van Nuys: Cleveland registered their first victory as they defeated the Wolves, 8-6. Dave Smith had an excellent night carrying the football and scored the first touchdown of the season.

Chatsworth: In the league opener, Cleveland tied Chatsworth 6-6. It was a game of turnovers by both teams. Don Jorgens caught a five-yard touchdown pass for the score.

Taft: It was a disappointing loss since the Cavaliers were up for the game. Cleveland dominated the first half but were worn down by the Taft offense in the second half. The final score was 0-28. Taft proved to be one of the best Bee teams in the valley.

El Camino Real: Cleveland was defeated by a strong El Camino team 0-34. As in previous games, mistakes played a key role in the loss.

Canoga Park: This game ended up scoreless, 0-0. The offense just couldn't put the points on the board. Even though, Cleveland had some long drives that ate up a lot of time on the clock.

Reseda: It was a good way to end the season as Cleveland tripped up the Regents, 21-0. After a slow first half, the Cavaliers came out and ran Reseda over. The leading rushers were Dave Smith, who scored two touchdowns, Tom Bell and Todd Porter, who also scored a touchdown. Cleveland ended their season in third place in the West Valley League.

Varsity Cross Country 1974

Although this year's team again didn't fare well in West Valley League competition, with a little luck the final standings would have been quite a bit different. Narrow margins of defeat to league powerhouses Chatsworth and Taft in the opening two weeks of league competition show that this was indeed a good team.

Outstanding runners on this year's Varsity team were: Edward Barkett, winner of six straight individual efforts (including an undefeated league season), Eric Contreras, and eleventh graders Jim Gill, Craig Thornton, Jody Guererro, Herman Cedillo and Dan Perry. The J.V.'s were led by Ray Holdsworth, Jim Hillendahl and a host of eleventh graders, while Jeff Clarke led the tenth grade team.

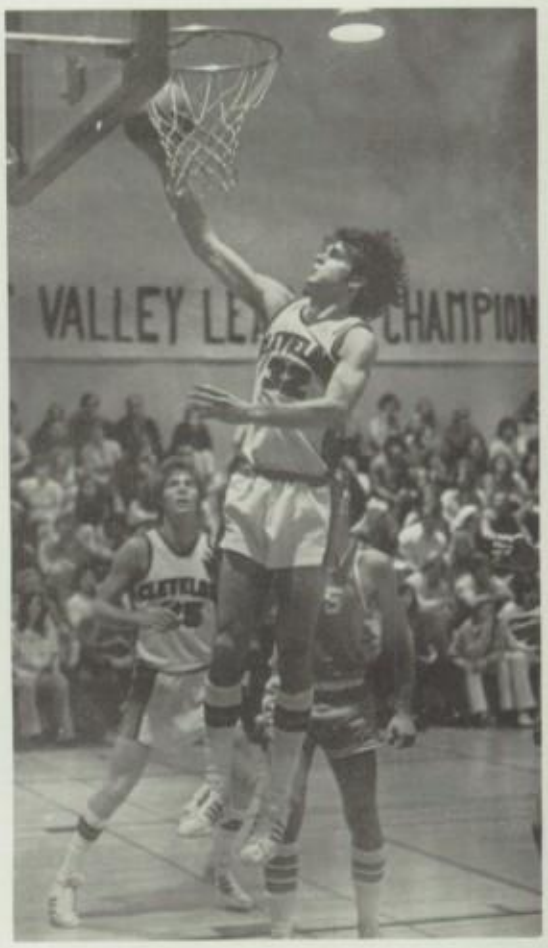
*Denotes League Playoff



The Varsity Basketball team had a moderately successful season, turning in a record of 5-5 in league. When pitted against the best in the Valley, Chatsworth, the Cavaliers barely lost in both encounters.

With Chris Lippert the only player returning from the starting five of last year's team, this 1975 squad surprised the league and narrowly missed the play-offs. Chris Lippert not only led the team in scoring but the entire city, as he averaged 32 points per game. The rebounding was led by Lippert and Durso who combined for 212 rebounds. Marty Gilson provided help by scoring a 9-point average and a total of 65 rebounds. Bill Marvin contributed in passing with 52 assists. The season came to a sudden end, as a loss to El Camino (in a playoff game) finished the season for the Cavaliers.

The Big Sticks

The ten men pictured on this page are the outstanding ball players on this year's Varsity Baseball team at Cleveland. The Cavaliers displayed a well-rounded attack, both in defense and offense. The starters on mound this year were Greg "Cocky" Johnson and Chris "Chi-Chi" Gomez. Right behind them was the able arm of Rick Jarvis. Dave "Rogie" Dierenzo, who has one of the hardest swings around, played first base and with Joe Akersman at third, guarded the foul lines. The double play combination this year was handled by shortstop Larry Greto and second-baseman Don Havens. "Big Bad" John Heck, Brian Ward and Mitch "Jeter" Doering patrolled the outfield. Handling the pitchers were Bill Creamer and Dave Johnson. All in all, this team rounded out to be one of the real challengers in the West Valley League.

The 1975 Cleveland Track and Field team was the surprise of the West Valley. This was by far the best track team put together by Cleveland since the league champions in 1970. This team gave a strong indication of their excellence as they won the Canoga Relays. Our Spikers proved to be determined competitors for the title, with stiff competition coming from Taft and El Camino. Outstanding performers on this year's squad included Rick Fasani and Mitch Tatro in the Pole Vault and Steve O'Neil doing his thing in the Shot Put. Other field event stars were Alvin Hooks in the Long Jump and Dan Howley in the High Jump. Showing their great versatility, Hooks was one of the outstanding sprinters in the league while Howley led a very talented group of quartermilers which included Terry Hanks and Rich Lambert. Ray Holdsworth was tops in the 880 while Ed Barkett and Eric Contreras scored many of the team's points in the distance events. Cleveland's class activities are regulated by their class steering committees. Graduating class "Pacificus" has an ambitious steering committee headed by Robin Nicholas. They plan activities along with Junior Steering committee, headed by Ann Boggio, to make the years at Cleveland more memorable. Another organization which aides in Cleveland's activities in Lettergirls. They offer their help with charities, the selling of programs and they receive a letter in sports they participated in. This year at Christmas the Lettergirls sold one thousand candy canes to Cleveland students for ten cents a piece. They generously gave the profits to the Guadalupe Center for unfortunate children.

Lonely Heart's Club Band

"It was six years ago today, Sgt. Fisher taught his band to play. They've been doing it in and out of style, but they're guaranteed to raise a smile. So may I introduce to you, the band you've known for all these years ... Sgt. Fisher's Lonely Heart's Club Band!"

Along with the Beatles, our band pays tribute to many great musicians. Thank-you Cleveland Marching Band for making the other half of Friday's half-time entertainment the success that it was.

Cleveland has several class organizations which provide students with the specialized training for their career. One of these classes is Radio Communications under the instruction of Mr. Theroux. The purpose of this program is to train installers and entry level technicians on Navigational Communications equipment while working also for their second class Radio Telephone License. This class which was only started two years ago has had fantastic placement results, close to 100%.

Another class organization career orientated is the aviation construction under Mr. Ferdon. The students make their own tools - such as a wooded hand brake for bending sheet metal. This aircraft construction project has added an important ingredient to the drafting class.

Also a good opportunity for Cleveland students is Graphic Arts. They print pamphlets for advertising school activities such as plays, ballots, and programs.

Le Sabre

Cavaliers look forward to third period on the day the "Le Sabre" is issued. This newspaper keeps Cleveland informed of everything from sports and rock concerts to personal opinion. It is under the direction of Mr. Ralph Hyde.

Speech and Debate

This year Cleveland was once again active in Speech and Debate. Despite the fact that the team had a new coach and was smaller than in previous years, it had outstanding performances in the Fall Open Tournament.

Mr. Weil is temporarily taking over the team this year for Mr. Berk, who is on a sabbatical to South Africa. His overwhelming enthusiasm, effort and hard work at speech and debate tournaments have produced a highly competitive and talented team. The 1974-75 team extends many thanks to him.

The Speech team consists of nine members including one debate team. Our representatives at speech tournaments this year include mainly junior-varsity and varsity speakers, as they had no novice recruits for the fall semester. The club officers were: President-Bea Benkmann, Vice-President-Daniel Weise, and Secretary-Neil Nybo. All three worked diligently to make the tournaments successful.

In the Fall Open Tournament, the speech team did extremely well. Jill Campbell competed in Impromptu, Tish Kuljian in Story Telling (a new event), Dan Weise in Humorous Interpretation and Oratorical Interpretation and Dave Nelson in Humorous and Dramatical Interpretations. Bea Benkmann competed in Oratorical Interpretation and Program Reading, going to finals in both events and placing third and fourth respectively. Neil Nybo also went to Finals in his event- Original Oratory. Steve Miller and Dan Weise have worked hard on debate this year and have done well in the Open and Invitational tournaments.

Row I - D.Weise, Mr.Weil. *Row II* - D.Nelson, S.Miller, J.Campbell, T.Harris, B.Benkmann, T.Kuljian.

Cleveland's plays are propped and lighted by Mr. Gifford's Stage Design. The group is also in charge of the P.A. System and assemblies. An exciting refuge for Cleveland's intellectuals is Mr. Sprigg's room where Chess Club meets at lunch. The meetings provide tense competition for all who participate. Fairly new to Cleveland are Mexican-American students who call themselves "Los Chicanos Unidos." Working along with Mr. Shigekuni they organize Mexican-American Culture Week. A fantastic opportunity for students interested in medical careers is Hospital Occupations. Sponsored by Mrs. Gray, the students spend a double period in various departments of the hospital.

ISSO, the Intra-School Scholastic Organization, has replaced two other organizations, Yeomen and Marquisettes. Their services extend from guarding the halls during lunch to planning Disneyland trips. Their most important jobs are those which they perform at the dances. Without them there would be no refreshments or lights, creating perfectly yawnful dances. As intended by President Elliot Warsaw, the creator of the organization, and Vice-President Anita Stober, the members may receive school credits according to the number of hours they serve.

S.C.A.R.E. is a valuable organization for Students Contributing Advice Regarding Education. This year many ideas were under the committee's investigation and quite a few were put into practice. The most popular was Cleveland's bicycling class, generously sponsored by Mr. Cromwell. The committee also set up and activated the process which allows a student to take classes on a credit/no credit basis. Through the determination of S.C.A.R.E. the library took on a new look featuring priviledge cards and decorated dividers for group study.

CSF, the California Scholarship Federation, came alive this year with a new tutoring program to further enrich student's education. The program was designed to help students returning from long absences or those who are having problems in specific areas. Piloted by Mr. Figurato the members of CSF supplied excellent tutoring in all areas. Tutors were available to any requesting teacher. Students could also request a tutor on an extracurricular basis. The organization hopes to enlarge their operation in the coming fall semester.

Les Mémoires Staff 1974-75

This sixteenth edition of Grover Cleveland's yearbook, by name, Les Memoires, has been created once again without failure, (surprisingly) by another diligent and ambitious staff for your reminiscing purposes. We find that after a year of togetherness and companionship, a "hayride" on a Country Road" is appropriate and well deserved. Here we may take the time to relax and speak of our efforts.

Let's start with the beginning. A few major changes had been made when our clan first gathered in the spring of last year. It is a trying task for the sponsor to "break in" a new staff who hasn't the foggiest notion of what they will be doing together and independently for the next year. This seems an impossibility. But again, our staff conquered the impossible! Not only were twelve of us conglomerated together with 168 blank pages to turn into a yearbook at the stroke of midnight but, in the midst of congratulating each other (which wasn't the beginning of Don's handshaking) we extended a gracious welcome to our new sponsor Mr. Davis. Poof! Suddenly there were thirteen staff members programmed to C-3 during 3rd period to produce a yearbook without any of the passed down ingredients. Conclusion: we were all novices. Our optimism was overwhelming however and, if nothing else, we created an original masterpiece. We hope you enjoy our first efforts to make this sixteenth edition of Les Mémoires a success.

It is only natural for a group with so many ideas and quick, spontaneous decisions to be identified properly. First our sponsor, Mr. Davis was seen walking down C-hall popping popcorn in his mouth, lending a helping hand to one and all. Then there was our fearless leader Big Bad John, who shyly checked with each individual to see that he had his pages turned in on time. Busily doing his job to see that everyone abided to deadline dates, John spent more time with our charming Debi Knuckles to put together our Faculty and Administration section and opening pages. With stacks of copy to proof 15 minutes before the yearbook coordinator came to take our pages away to the men in the funny white coats, Debi had to deliver each page with evry wurd spelt rite to our private secretary, Casey. Already clicking away at copy from nights before, Casey again conquered the impossible by typing all of our copy and still having time to fill the candy jar and to remember everyone's birthday. So, between orange slices and pizza, Casey still refused to type anymore on a deadline day. Our senior Editor Sara had such success between here and Argentina at getting all of the enthusiastic seniors to have their pictures taken. Her beautiful, sunshining attitude prompted them without question, thanks to a rainbow of a friend. Now we come to our stunning, sly, Steve Sletten, speaking startling satire to Miss Debi in perfect alliteration because he found activites for his section hard to come by, still he managed. Between handshakes and smiles we observed our darling Don Juan reflecting his skills at alphabetizing millions of underclassmen. Yes, we even had our own model who was also in fact our Art Editor. Erin came everyday in new and latest fashions for us to admire. She was either seen measuring an inkline perfectly, plotting spaces for candids she never got, or eating "camels" and going on various errands with our Clubs and Organizations Editor, Ana, alias Mr. Davis (when she wanted goodies from the cafeteria.) Trying to scrounge up the names of nobodies, she always came up with "great ideas" that went over like lead balloons. She shall learn from Erin to draw straight lines. The Athletics Editors, Tim and Terry, spent time reminiscing on various football games and making sure their own T.D.'s were not left out. Their section, which was most intriguing to all of us, was attempting to confiscate all 168 pages for next year's book. Now for the two people responsible for the main idea in this great work of art, our reliable and determined photographers, Rusty and Mark. While deciding if he would charge overtime for reprints, Mark was always conveniently gone when one needed him. So, of course we had to interrupt Rusty while he was eating the third course of his lunch to take our pictures on time.

Now it is time for us to retire and look back on all the work and fun that was put into this book for your enjoyment. We hope our job has made your remember this year as vividly as the fun it was for us to create this book for you.
